

## SOCCKER gala day

On Friday, the 14<sup>th</sup> of June, Years 3 - 6 who were in the soccer team of The Pocket went to a small school soccer gala day state knockout in the raining weather.

After setting up the school tent and practicing for the first game, they were ready for the first match. Styler started in goals with Justyne, Ish and Harvey as defence, Azalea left wing, Jarrah mid field, Torrian right wing and Jai, Jacob, Jaala and Briana in attack.

The Pocket put up a good fight against Rosebank, the former state winners. The Pocket was convincingly beaten but Torrian and Harvey used teamwork and defended lots of goals. The second match was a bit more evenly matched and even though we lost the game was close.

In the second half, after being motivated by Mrs Hauenstein, Harvey got flipped over for the second time that day and got a penalty kick. Harvey kicked, Jarrah got it dodged 2 or 3 people and was then on a flat field with no one standing in his way, not even the goalie. He ran and ran until he scored an EPIC goal!!!!!!

The only thing Mrs Hauenstein wasn't happy about was the t-shirts the MUDDY T-SHIRTS.
