

Athletics carnival

Two weeks ago The Pocket Public School had their athletics carnival in Davina's paddock across from the school.

We started the day with cheers for our team. Echidnas were so loud!!

Then Primary kids participated in the 200m races. After that we had the age races.

About midday we did the 800m race. Now that was hard!

After the races the Echidnas, Turtles, Kangaroos and the Kookaburras participated in the relay, we all had fun.

After we finished our fun in Davina's paddock we went back to school to do some activities. We all rotated around Long Jump, Shot Put, Discus and novelties.

We finished the day with a big Tug war won by the Kookaburras.

I hope the next athletics carnival is as great as this one.
